

LIST OF D. P. W. SUBJECTS.

BANGALORE DISTRICT.

Subject and name of member introducing it.	Summary of discussion.	Reply of Government
Subject No. 329. Akkur Anikat. Mr. Putta Subbaiya of Channapatna Taluk.	The Akkur Anikat may be put in order, as for the past eight years the supply of water from the Kanava River to the Akkur tank has been cut off, causing damage to crops year after year.	Referred to D. P. W. for investigation and disposal.
Subject No. 330. Repairs to Alalasan- sandra Rayakere in Channapatna. Mr. Putta Subbaiya, Channapatna Taluk.	The breach in Rayakere tank of Alalasan- dra village may be ordered to be repaired early, as a large area of arable land is now lying waste below the tank. The Public Works Department and the Revenue authorities have, after inspection of the tank, recognized the necessity for the repairs, which, if executed, would result in an increase of revenue to Government.	Referred to D. P. W.
Subject No. 331. Repairs to Sangave tank near Anajavadi. Mr. Shamaia of Kankanhalli Taluk.	The breach in the Sangave tank may be ordered to be repaired, as it is calculated to bring from 200 to 300 acres of waste land under wet cultivation.	A project is under consideration.
Subject No. 332. Repairs to certain tanks. Mr. Mallikarjunaiya of Kankanhalli Taluk.	The following tanks may be repaired so as to render them useful to raiyats and cattle:— (1) Basavankere (2) Settikere (3) Vurgejje Basavankere (4) Mulhalli Basavankere (5) Earasettikere	Referred to D. P. W.
Subject No. 333. Increasing the ca- pacity of Medimala- sandra tank. Mr. Ramanna of Hoskote Taluk.	The capacity of Medimalasandra tank may be ordered to be increased and the bed of Yedagondahalli Kumbaniganakere be given out for cultivation to raiyats, as the present supply of water in the tank is not adequate for the raising of Vaisakhi crops.	Referred to D. P. W. for investigation and disposal.
